## Ed Schulte Estate & Mary Ann Schulte Saturday September 28th, 2019 @ 10:00 AM

### MARVIN & DAVID'S REMARKS

In 2011 it was our pleasure to conduct a rare/collectible Oliver auction for Ed & Mary Ann. We had hoped Ed would live to see his final auction but sadly he passed away September 5th. The storage building is sold and it is time to disperse the remainder of never before offered tractors & all shop equipment. Tractors have been kept inside and will speak for themselves. The shop equipment offers many useful items some of which are the "old time heavy duty" pieces that are hard to find. Arrive early & register for bidding number. **Please note: We will stop @ 10:30 AM and sell the tractors, dirt scraper, larger shop items and then finish with the remainder of smaller hayrack items. No early preview .... come sale day.**
